

Meeting the Needs of More Veterans and their Families

The Department of Veteran Affairs has substantially increased the grant provided to Catholic Charities of Wichita to increase our capacity to serve low-income veterans and veteran families who are currently homeless or at imminent risk of homelessness.

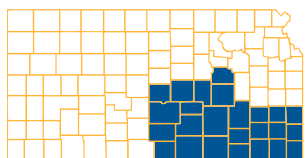

Services available to qualified veterans and their families include:

- Homeless Prevention Services
- Rental and Utility Assistance
- Landlord Mediation
- Case Management Services for Long-Term Housing Stability
- Transportation Assistance
- Emergency Hotel Stays, honoring social distancing guidelines if required

Qualifications:

1. Any Veteran who has served at least 24 hours of active duty and has any discharge status other than Dishonorable.
2. The Veteran family is considered low-income, defined as earning 50% or less of the Area Median Income. Determination of income status can be found at <https://www.huduser.gov/portal/datasets/il.html>.
3. Veterans or Veteran Families must be either currently legitimately homeless or are in imminent danger of facing homelessness.
