Collaboration is key to increasing our score and our funding allocation.

The vendor transition has been bumped one additional month to allow the necessary time for the HMIS system to be configured. HMIS agencies will continue to be updated on important dates and important tasks they will need to complete as quickly as the information is available

We have a new Regional Coordinator for our South Central Region. Please welcome Claudette Humphrey to our Regional team!

IMPROVED TRANSPARANCY

The Coalition is dedicated to improving our transparency standards. We aim to achieve this goal by the following methods:

- Several meetings have been recorded and are now available on the website so you can catch up on the CoC activities. Transcripts will also soon be available!
- Our website will include a calendar that will provide the dates and times of all meetings and events for the entire year.

All committee agendas and meeting minutes will be included in this monthly newsletter starting with our next issue.
