

**Rapid Re-Housing
Instructions**

Performance Measures

1) Length of Stay

Participants are placed in housing less than 15 days after referral to RRH

APR Q22c

** No Score available for RRH – Place an X in the score sheet box.*

2) Exits to Permanent Housing

$$(Q23a + Q23b \text{ SUBTOTALS}) / (Q23a+Q23b \text{ TOTALS}) = \text{Exits to Permanent Housing}$$

Percent move to permanent housing.

- Step 1: Add the Q23a *“Positive Housing Destinations” Subtotal* + Q23b *“Positive Housing Destinations” SUBTOTALS*
- Step 2: Add the Q23a **Total** (4th line from the bottom of the chart) + Q23b **Total** (4th line from the bottom of the chart)
- Step 3: Divide the total from Step 1 (subtotals) by the (totals) from Step 2 to get the percentage of **Exits to Permanent Housing**

25 Points	90% or higher
20 Points	80% to 89%
15 Points	70% to 79%
10 Points	60% to 69%

3) Returns to Homelessness

Maximum percent of participants return to homelessness within 12 months of exit to permanent Housing.
(MAACLink will provide the report for each applicant to KSHC Staff)

10 Points	≤15%
5 Points	16% to 20%
0 Points	>21%

New or Increased Income and Earned Income
(Points awarded are all or nothing)

4) Earned income for project stayers

Serve High Need Populations

8) >50% of participants with Zero income at entry **(Adults with no income/Total Adults =%)**
APR Q16

10 Points	50% or higher
8 Points	40% to 49%
6 Points	30% to 39%
4 Points	20% to 29%

9) >50% of participants with more than one disability type **(1 Condition + 2 Condition + 3 Condition)/Total**
APR Q13a2

10 Points	50% or higher
8 Points	40% to 49%
6 Points	30% to 39%
4 Points	20% to 29%

10) >50% of participants entering project from place not meant for human habitation
APR Q15 **(# not meant for/Total = %)**

10 Points	50% or higher
8 Points	40% to 49%
6 Points	30% to 39%
4 Points	20% to 29%

11) Project Effectiveness

Project has reasonable costs

Application Q6E Total Budget (Line 8)

Divide total project costs by number of permanent housing exits and stayers (APR Q23a & Q23b.
Use sub-total under permanent destinations)

$$\frac{\text{Q6E Total Budget}}{\text{(Q23a + Q23b) Exits to Permanent Housing}} = \text{Cost per successful outcome}$$

12) Coordinated Entry Participation

MAACLink to provide number of clients entered in HMIS with a VI-SPDAT (last operating year). Of the people who were enrolled during that operating year, what percentage of them had a VI-SPDAT done?

*****All applicants get the full 10 points. (Checked by NOFA Committee)***

13) Housing First

Housing First and/or Low Barrier Implementation
Application 3B3. Housing First Questions 3b and 3c

Other and Local Criteria

14) Applicant Narrative

If the narrative seems reasonable to reviewers then the applicant receives full points.

Up to 5 points – score based on strength.

15) Data Quality

Q. 06a on the APR

11% is over acceptable error rate – the lower the percentage – the higher the points awarded.

16) Bed Utilization

APR Q2

The percentage of bed utilization is already calculated on the RRH APR. Use that total for scoring.

Please score based on the percentage above the **90% threshold as a minimum**. Higher percentage/higher points.
